Sir:

**Information Disclosure Statement**

Applicant submits herewith patents, publications or other information of which they are aware and which they believe may be material to the examination of the above-identified application and in respect of which there may be a duty to disclose in accordance with 37 CFR 1.56.

This Information Disclosure Statement is not intended to constitute an admission that any patent, publication or other information referred to herein or submitted herewith is "prior art" for this invention unless specifically designated as such.

In accordance with 37 CFR 1.97(g) and (h), the filing of this Information Disclosure Statement shall not be construed to mean that a search has been made or that no other material information as defined in 37 CFR 1.56(b) exists.

Each item of information contained in this Information Disclosure Statement was first cited in a communication from a foreign patent office in a counterpart foreign application not more than three months prior to the filing of this Information Disclosure Statement.

I hereby certify that this correspondence is being deposited on the date below with the United States Postal Service as first class mail in an envelope addressed to "Commissioner for Patents, P.O. Box 1450, Alexandria, VA 22313-1450."

The International Search Report enclosed herewith, and cited on Form-PTO-1449, provides a concise explanation of the relevance for each reference not in the English language as required by 37 C.F.R. § 1.98(a)(3). A written English-language translation of the non-English language references is not readily available to or within the possession, custody or control of Applicants.

For US national applications filed after June 30, 2003 and International applications that have entered the national stage after June 30, 2003 a copy of a cited US patent or cited US patent publication is NOT required. See OG Notices: 5 August 2003. Accordingly, no copies of a cited US patent or cited US patent publication are enclosed for these applications. A copy of each item other than a US patent or a US patent publication listed on the attached INFORMATION DISCLOSURE CITATION IN AN APPLICATION is supplied herewith.

For US national applications filed before June 30, 2003 and International applications that have entered the national stage before June 30, 2003 a copy of each of the items listed on the attached INFORMATION DISCLOSURE CITATION IN AN APPLICATION is supplied herewith.

Respectfully submitted,

ALEXANDROS MAKRIYANNIS et al
